This year, we're expanding our school-touring program to include more shows, tour to more schools, and find more success than ever! To make sure that we reach as many schools as possible, we're even offering huge discounts on our productions, and that means extra savings for you!

This year, we're expanding the touring schedule of "B.U.L.L.Y.: Better Understanding by Listening and Learning about You" so that more schools can utilize our shows to help combat the problem of bullying in our communities.
